2025

The Mission to Seafarers invites you to join us for a Festival of Nine Lessons and Carols. This is a highlight of the Christmas social calendar for the UK's maritime industry. HRH The Princess Royal regularly attends this event.

The service will feature popular and new carols, Christmas readings and music by the renowned Lloyd's Choir. The carol service will be followed by a drinks and canape reception at Trinity House.

All proceeds will help The Mission to Seafarers continue to offer welfare services and emergency assistance to seafarers and their families in more than 200 ports around the world.
