We are one of the world’s largest providers of port-based welfare services, operating in over 200 ports across 50 countries, 365 days a year. In 2023, we achieved:

- **43,235** ship visits
- **302,645** seafarers encountered
- **58,700** SIM cards provided to seafarers
- **130,828** seafarers used our transport services
- **1** metric tonne of knitting distributed
- **149,819** visits to our seafarers’ centres
- **716** port-based justice, welfare and medical cases
- **11,300** shopping trips for seafarers with estimated value of goods bought totalling over US$1.25M
