

# Global Champions UNITE!

**Support seafarers on the front line to keep our supply lines open and our supermarkets and pharmacies stocked.**

**We all depend on seafarers for 90% of the goods and fuels we use. Global Champions Unite is a fun, dynamic and creative way to get motivated with your fitness & wellbeing whilst caring for our communities at sea.**

**Funds raised will support our new on-line chaplaincy welfare service and our further responses to the Covid-19 crisis.**

- Unite, inspire and connect all of us during this international pandemic.
- Create your own goal, choose your challenge and take part in your own time.

- You have 90 days to raise your target whether as a one-time event or several, it's your choice.
